

Magazine Covers

'EXCLUSIVE! MEMORABLE! FUN!'

FANTASY covers offers your guests the opportunity to become headline news with their picture on a magazine front cover.

Our art department will work closely with you to create a serious or humorous template for your event showing the venue, special guests, celebrities (who may or may not be there!), company logo, product and headlines.

During the event your guests will be photographed and their cover printed on-site, giving them a high quality keepsake.

OK! is a trade mark of Northern&Shell and is reproduced under agreement by FANTASY imaging.
